2018 ELEMENTARY SUMMER SCHOOL REGISTRATION INFORMATION

Summer school will be held Monday-Friday from 8:20 a.m. to 12:15 p.m. for 4 weeks beginning Monday, June 4th through Friday, June 29th. The school will be serving both breakfast and lunch free of charge during summer school to all students 18 years and under. Transportation will also be provided which includes a morning pick up service and drop off following lunch at 12:15 pm. An afternoon activity program will be available every day from 12:15 to 4:00 pm for students attending summer school as well as those participating in swimming lessons.

Reminder: No late bus will be provided for students staying after 12:15 pm. **Students signed up to participate must be picked up from the Library NO LATER THAN 4:00pm.**

Please note the following general information:

June Summer School will be held Monday-Friday from 8:20 am to 12:15 pm during the following 4 weeks:

Week 1: June 4 to June 8

Week 2: June 11 to June 15

Week 3: June 18 to June 22

Week 4: June 25 to June 29

Daily Schedule: (3 class sessions per week)

7:50 to 8:20 - Students arrive; breakfast is served in the commons

8:30 to 9:00 - Core Class/PBIS Session

9:00 to 10:10 - Session 1 Class

10:10 to 10:30 - Break

10:30 to 11:40 - Session 2 Class

11:40 to 12:10 - Lunch is served in the commons

12:15 pm - Buses will depart at 12:15 with students **not signed up for an afternoon activity.**

12:15 to 4:00 - Afternoon Activities: Libraries Rock! & Swimming Lessons.

*Students **not signed up for the afternoon activities will be dismissed and sent home at 12:15.**

12:30 to 3:00 - Swimming Lessons held at the Turtle Lake School.

Bus Transportation:

* Bus transportation for summer school will include a pick up in the morning and drop off at completion of session 2 classes, at approximately 12:15 pm.

* A shuttle bus will also be provided from the Clayton School to the Turtle Lake School Pool for students participating in swimming lessons. **Students must be picked up from the Library NO LATER THAN 4:00pm.**

Confirmation of your child's registration information and swimming lesson schedule will be sent home with all students during the third week of May.

2018 SUMMER SCHOOL SWIMMING LESSON INFORMATION

Swimming lessons will be taught at the Turtle Lake School pool. A shuttle bus will be provided from the Clayton School to the Turtle Lake School. Students will be divided into ability groups for instruction. Supervision will be provided in each locker room as well as in the pool. Lessons will be scheduled by the instructor in order to balance levels. Your child's assigned session will be sent home during the third week of May.

IMPORTANT CHANGES: Lessons will consist of three weeks of five day sessions. Students will depart each day from the Clayton School after lunch at approximately 12:30 pm and will return to the school each day at approximately 3:00 pm.

***Swimming lessons will not be available for Junior Kindergarten students. Students must complete one year of Kindergarten in order to participate.**

Session 1 will be held during week 1: June 4-8th from 12:30 to 3:00 pm (5 days of instruction)

Session 2 will be held during week 2: June 11-15th from 12:30 to 3:00 pm (5 days of instruction)

Session 3 will be held during week 3: June 18-22nd from 12:30 to 3:00 pm (5 days of instruction)

*There will be no make up lessons

An afternoon activity program will be held in the Library each day of summer school from 12:15 to 4:00 pm. This program is open to all students attending summer school. Students attending summer school as well as those who are participating in swimming can attend this program before leaving for their swimming lesson at 12:30 pm and after they've returned at 3:00 pm. All students **MUST** be picked up from the afternoon program **no later 4:00 pm.**

LEVEL 1

Come and join us while we get used to going in the water! We will do some splashing, bobbing, monkeying, and kicking. We will also learn some basic water safety skills from a red cross certified instructor.

LEVEL 2

Learn fundamental swimming skills from a red cross certified instructor. Some of the skills covered are: retrieving underwater objects, front and back floats, flutter kicking, finning, and the combined stroke on front and back. We will also talk about basic safety skills in and around water.

LEVEL 3

Learn intermediate swimming skills from a red cross certified instructor. Some of the skills covered are: retrieving underwater objects, front crawl, elementary backstroke & swimming underwater. Basic safety skills in and around water will be discussed.

LEVEL 4

This course is offered for those students who have passed level 3 of American Red Cross lessons or can demonstrate ability to be comfortable in deep water, swim front crawl, back crawl, and elementary backstroke comfortably, and perform kneeling dives. Skills covered will include diving, treading water, continued work on front crawl, back crawl, elementary backstroke. Beginning instruction in the breaststroke and sidestroke.

LEVEL 5

This course is offered for those students who have passed level 4 of American Cross lessons or can demonstrate ability to swim front crawl, back crawl, elementary backstroke, scissor kick, dive, and tread water for 2 minutes.

LEVEL 6

Some of the objectives of this course are: demonstrate approach and hurdle on the diving board, jump kick from the diving board, perform approach stroke, breaststroke and sidestroke turns, speed turn and pull-out for breaststroke, and flip turn for front crawl. Perform tuck and pike surface dives, learn alternate kicks for treading water, demonstrate a throwing rescue and how to roll spinal injury victims face up.

2018 ELEMENTARY CLASS DESCRIPTIONS

#1.) Animal Safari:

Join us as we travel around the world exploring different animals from each continent.

#2.) Around the World with Disney:

Have you always wanted to experience the adventures of Disney World? Join "Around the World with Disney" to take a closer look at the many adventures of Disney World. You will explore different Disney characters and animations and become an expert on Disney World.

#3.) Awesome Artists:

Students will have fun exploring a variety of art. Come join the fun of creating your own one of a kind masterpiece!

#4.) Bowling:

Learn about the sport of bowling. Students will have the opportunity to bowl at Spare Time in Turtle Lake. Students will learn the proper steps and the use of dots and arrows as they perfect their strike and spare balls. Students will learn proper bowling procedures and scoring. Students must wear socks!

#5.) Camp Clayton:

A camping we will go! Students will attend a "mock" Camp Clayton. The students will have the opportunity to sit around a campfire telling stories, make smores, go on a nature walk, make crafty projects, sing songs, and do various camp activities, games and competitions. Sign up now to reserve your spot at Camp Clayton!

#6.) Court Sports:

Here's your chance to work on developing your individual and team basketball skills. We'll work on dribbling, passing, shooting, and more! Students are required to wear gym shoes with socks during this class.

#7.) Dance Party:

Have fun with your friends and dance to the music of Kids Bop and the current hits of Just Dance!

#8.) Dice, Dots, and Dominoes:

During this class you will have the opportunity to boost your current math skills while playing games using dice, dots and dominoes. We will use dice, dots and dominoes to create and solve math problems and play various math games, as well as, use computers and iPads to help reinforce your math skills. Please join in the fun and keep your math minds active and alert!

#9.) Dig in to Volleyball:

Review and building of basic volleyball skills along with the introduction of offensive and defensive team strategies. Competitions every day to guarantee fun for everyone!

#10.) Exploratorium Genius Hour:

Have you ever wanted to take time and really research something you are truly interested in? What do you wonder about? What questions would you like to have answers to? Students will have the opportunity to explore an interest, learn more about it using a variety of resources and then develop a project to share with others.

#11.) Football Basics:

Students will learn some basic fundamentals of the game of football such as: throwing, catching, kicking, and punting. Students at this level will play more games that build upon these skills. We may even watch a video/movie showing some football skills/a game.

#12.) Football Skills:

Students will continue to build on key fundamentals of the games, but also adding to those. Example: Throwing the ball is a key fundamental, but at this level we would like to add the 3-step drop. We will also be talking about 3-point stances and proper WR/RB stance. We may be watching some video clips and/or game tape to learn more about the game. Students will be playing some 2-hand touch or flag football games. We will also be having some contests.

#13.) Fun in the Sun:

After a long winter, this class will offer a variety of outdoor fun, sun and games!

#14.) Fun with iPads:

Students will have fun learning the basic features of the iPad as well as discovering some cool new apps!

#15.) Games Galore:

Students will participate in a wide variety of board, and card games. We will learn new games, while still having fun playing some of their favorites. Examples: Yahtzee, Jr. Monopoly, Sorry Kings, Spoons, Bingo, etc. Students will have a chance to learn and play a few favorite outdoor games

#16.) Geocaching:

Do you like treasures? Have you ever wanted to be a pirate? Geocaching is a fun outdoor adventure where we will use the Global Positioning System (GPS) to find hidden treasures (caches) all over Clayton and the surrounding area! In the classroom, you will learn about longitude and latitude and how to use a GPS device. In the great outdoors, you will find caches that you never knew were there!

#17.) Hooked on Fishing:

We will spend the first day in classroom looking at fishing tips, strategies, and safety/rules. Students will get a chance to go fishing in a few of the neighboring lakes. Students **MUST** supply their OWN fishing equipment and bait.

2018 ELEMENTARY CLASS DESCRIPTIONS

#18.) Jewelry Making:

Students will get an opportunity to make necklaces and bracelets both with and without beads! You will get to make many different types of jewelry with cord, metal, beads, and other artistic materials!

#19.) Jumanji:

Welcome to the jungle. We've got fun and games!

#20.) Keyboard Camp:

Come develop your keyboarding skills and stamina!

#21.) Kickball:

There will be plenty of fun and laughter as students enjoy playing a summer time game of kickball!

#22.) Let's Hit the Diamond:

It's time to get out those ball gloves and sharpen up your hitting and fielding skills. This class will reinforce the basics of pitching, catching and hitting skills through fun games and activities.

#23.) Little Diggers Volleyball:

Basic skills and lead-up games will be our volleyball "mission" There will be fun for all, for sure!

#24.) Mad Scientist:

Have fun with hands on science experiments, projects, and more!

#25.) Moving on to 1st Grade:

Kindergartners get ready for first grade! Students will review the letters of the alphabet and their sounds through a variety of activities and projects. Students will also work with rhyming, short vowel sounds, and the reading of simple words and books. In addition, the students will review addition and subtraction through various activities. This class will be a wonderful way for the students to review and learn the various skills needed for first grade.

#26.) Ocean Fun:

Join us as we explore the oceans of the world! Learn about oceans in general and the plants and animals that call this habitat home.

#27.) Painting 101:

Students will explore a variety of art. Come join the fun of creating your own one of a kind masterpiece!

#28.) Summer STEM Challenge:

STEM challenges are small problems that students solve with specific materials. Come experiment, collaborate and problem solve!

#29.) T-Ball:

Students will learn basic fundamentals of playing ball. We will be learning how to catch, throw and hit during this session. This course will take the place of the evening Summer Rec. program.

#30.) The Great Outdoors:

Students will enjoy a wide variety of outdoor fun! Students will learn about various kinds of trees and animals. They may also learn something new about compass reading and camping.

#31.) Under the Sea:

Splish, Splash your way to underwater adventures! Learn about ocean life through books, movies, projects, and activities.

#32.) Welcome to the Jungle:

It can be a jungle out there! Explore the rain forest and learn about the animals and plants that make the jungle such a unique place!
