no later than FRIDAY, APRIL 20th**

2018 MS & HS SUMMER SCHOOL REGISTRATION INFORMATION

Summer school will be held Monday-Friday from 8:20 a.m. to 12:15 p.m. beginning Monday, June 4th through Friday, June 29. The school will be serving both breakfast and lunch free of charge during summer school to all students 18 years and under. Transportation will also be provided which includes a morning pick up service and drop off following lunch at 12:15 pm. An afternoon program will be available in the Library every day from 12:15 to 4:00 pm for students participating in swimming lessons. **Reminder:** No late bus will be provided for students staying after 12:15 pm. **Students signed up to participate must be picked up from the Library NO LATER THAN 4:00pm.**

Please note the following general information:

June Summer School will be held Monday-Friday from 8:20 am to 12:15 pm during the following weeks:

- Week 1: June 4 to June 8
- Week 2: June 11 to June 15
- Week 3: June 18 to June 22
- Week 4: June 25 to June 29

Daily Schedule: (2 class sessions per week)

- 7:50 to 8:20 am - Breakfast is offered in the commons
- 8:20 to 10:00 - Class Session I
- 10:10 to 11:50 - Class Session II
- 11:50 to 12:15 - Lunch served in the commons
- 12:15 pm approx. - Buses Depart
- 12:15 to 4:00 - Afternoon Activities & Swimming Lessons
- *Students **not signed up for an afternoon activity will be dismissed at 12:15.**
- 12:30 to 3:00 - Swimming Lessons will be held at the Turtle Lake School.

Bus Transportation:

- * Bus transportation for summer school will include a pick up in the morning and drop off at completion of session 2 classes, at approximately 12:15 pm.
- * A shuttle bus will also be provided from the Clayton School to the Turtle Lake School Pool for students participating in swimming lessons. Students may also participate in the afternoon program, which will be held in the Library. **Students must be picked up from the Library NO LATER THAN 4:00pm.**

Confirmation of your child's registration information and swimming lesson schedule will be sent home with all students during the third week of May.

2018 SUMMER SCHOOL SWIMMING LESSON INFORMATION

Swimming lessons will be taught at the Turtle Lake School pool. A shuttle bus will be provided from the Clayton School to the Turtle Lake School. Students will be divided into ability groups for instruction. Supervision will be provided in each locker room as well as in the pool. Lessons will be scheduled by the instructor in order to balance levels. Your child's assigned session will be sent home during the third week of May.

IMPORTANT CHANGES: Lessons will consist of three weeks of five day sessions. Students will depart each day from the Clayton School after lunch at approximately 12:30 pm and will return to the school each day at approximately 3:00 pm.

Session 1 will be held during week 1: June 4-8th from 12:30 to 3:00 pm (5 days of instruction)

Session 2 will be held during week 2: June 11-15th from 12:30 to 3:00 pm (5 days of instruction)

Session 3 will be held during week 3: June 18-22nd from 12:30 to 3:00 pm (5 days of instruction)

*There will be no make up lessons

An afternoon program will be held each day of summer school from 12:15 to 4:00 pm. This program is open to all students attending summer school. Students who are participating in swimming can attend this program before leaving for their swimming lesson at 12:30 pm and after they've returned at 3:00 pm. All students **MUST** be picked up from the afternoon program **no later 4:00 pm.**

LEVEL 1

Come and join us while we get used to going in the water! We will do some splashing, bobbing, monkeying, and kicking. We will also learn some basic water safety skills from a red cross certified instructor.

LEVEL 2

Learn fundamental swimming skills from a red cross certified instructor. Some of the skills covered are: retrieving underwater objects, front and back floats, flutter kicking, finning, and the combined stroke on front and back. We will also talk about basic safety skills in and around water.

LEVEL 3

Learn intermediate swimming skills from a red cross certified instructor. Some of the skills covered are: retrieving underwater objects, front crawl, elementary backstroke & swimming underwater. Basic safety skills in and around water will be discussed.

LEVEL 4

This course is offered for those students who have passed level 3 of American Red Cross lessons or can demonstrate ability to be comfortable in deep water, swim front crawl, back crawl, and elementary backstroke comfortably, and perform kneeling dives. Skills covered will include diving, treading water, continued work on front crawl, back crawl, elementary backstroke. Beginning instruction in the breaststroke and sidestroke.

LEVEL 5

This course is offered for those students who have passed level 4 of American Cross lessons or can demonstrate ability to swim front crawl, back crawl, elementary backstroke, scissor kick, dive, and tread water for 2 minutes.

LEVEL 6

Some of the objectives of this course are: demonstrate approach and hurdle on the diving board, jump kick from the diving board, perform approach stroke, breaststroke and sidestroke turns, speed turn and pull-out for breaststroke, and flip turn for front crawl. Perform tuck and pike surface dives, learn alternate kicks for treading water, demonstrate a throwing rescue and how to roll spinal injury victims face up.

#1.) ATV Safety: Class will be held from 8:20 to 11:45 am on Monday, Tuesday and Wednesday June 11th, 12th and 13th. **Students must register online at: <https://gowild.wi.gov>**

#2.) Boat Safety: Class will be held from 8:20 to 11:45 am on Monday, Tuesday and Wednesday, June 18th, 19th and 20th. **Students must register online at: <https://gowild.wi.gov>**

#3.) Bowling: Learn about the sport of bowling. Students will have the opportunity to bowl at Spare Time in Turtle Lake. Students will learn the proper steps and the use of dots and arrows as they perfect their strike and spare balls. Students will learn proper bowling procedures and scoring. Students must wear socks!

#4.) Creative Crafting: "We're going to use what, to make what?" That's right! You're going to be amazed at all the cool materials we will repurpose to create awesome crafts projects!

#5.) Dig Into Volleyball: Review and building of basic volleyball skills along with the introduction of offensive and defensive team strategies. Competitions every day to guarantee fun for everyone!

#6.) Fun with Fibers: During this course students will learn about fiber production, examining the process from sheep to finished product. Students will explore the properties of different fibers and see how they are spun and felted. Students will have opportunity to try their hand at combing and spinning wool, felting, and weaving fibers into a tablemat.

#7.) Geocaching: Do you like treasures? Have you ever wanted to be a pirate? Geocaching is a fun outdoor adventure where we will use the Global Positioning System (GPS) to find hidden treasures (caches) all over Clayton and the surrounding area! In the classroom, you will learn about longitude and latitude and how to use a GPS device. In the great outdoors, you will find caches that you never knew were there!

#8.) Golf: Students will work on such things as proper techniques when gripping and swinging your clubs. We will also discuss golf etiquette and rules of the game. We will plan field trips to our local golf courses.

#9.) Hooked on Fishing: We will spend first day in classroom looking at fishing tips, strategies, and safety/rules. Students will get the opportunity to go fishing in a few of the neighboring lakes. Students **MUST** supply their OWN fishing equipment and bait.

#10.) Hunter Safety: This course will teach firearm safety as well as WI hunting laws and DNR regulations. (Students should be 11+ years old by the first day of the 2018 hunting season & in attendance for all sessions)

#11.) Keep Me in Stitches: Explore the world of stitchery. Sample sewing projects in embroidery, and a type of cross-stitch will be introduced. Students will have the opportunity to learn basic knitting and crochet stitches as well. If students wish to complete a knit or crochet project, please provide a skein of yarn.

#12.) Photoshop Yourself! Have you ever wanted to learn how to use Photoshop? In this class you will experience all the tools of Photoshop and learn how to manipulate photos to create lifelike photos. We will learn how to change eye color, combine two photos into one, or just create some goofy images that look realistic!

#13.) Pottery: Have you ever wanted to learn how to use a pottery wheel and create a beautiful work of art on it? Now is your chance! We will explore pottery both on and off the wheel. We will make mugs, plates, and bowls from scratch, all of which you can eat off of!

#14.) Rocketry: We will order advanced rockets to build and fly. Costs will vary depending on the rockets you choose to order. See Mr. Bartz to order your rocket.

#15.) STEM - Science Experiment Challenge! If you dare to build it, you'll have fun! This amazing hands-on STEM Science class will give you an opportunity to predict outcomes through challenging experiments! You'll learn to ask the "what if" question in order for your experiment to succeed! Put your lab coat on and join the fun!

Exceptional Classes:

#E-1: Swimming Lessons - 12:30 to 3:00 pm for 3 weeks. (5 days of instruction per session)

***Session 1:** June 4 - June 8th

***Session 2:** June 11 - June 15th

***Session 3:** June 18 - June 22

#E-2: Band Lessons: Grades 6-12 -Schedule will be arranged by Mrs. Zebro

#E-3: Marching Band: Grades 8-12 - Schedule will be arranged by Mrs. Zebro.

#E-4 Community Trail Blazing: June 11-15 *12:30 to 3:00

We are looking for some hard working students to build a Walking Trail. We will be outdoors working on a trail that will eventually connect other trails to Lake Camelia. Gloves and boots will be needed!

E-5: Driver Education: All grade 10 & 11 students who did not enroll last summer will be eligible. Students that choose to participate in the behind the wheel portion will be contacted with further information and/or program requirements.

#E-6: Physical Training: This class is a combination of speed training, plyometrics, agility training, weight training, and specific sport skills. We have a schedule that we follow for each night with a specific running and weight workout developed for our athletes. This class is designed and modified for all athletes **in grades 6-12**. We spend about 20-30 minutes on speed training, plyometrics, and agility work. We then spend about 40-50 minutes on weight training. The remaining time is allowed for individual skill work. It is a proven that athletes increase their chances of being successful and of minimizing injury through physical training. Please bring both indoor and outdoor shoes. Students will receive a detailed schedule in May.

#E-7: Middle School Remedial Summer School:

Clayton Middle School will be offering a Summer School program that focuses on fundamental skills in Math and ELA. This is a teacher / counselor referred program. Once your child has been referred to the program, parents will be provided with a registration form to be completed and returned to the school. Classes will run the following weeks:

Week #2 June 11-15

Week #3 June 18-22

Week #4 June 25-29

#E-8: High School Core Class Remedial: Class available to grades 7-12 for remediation of history or English courses. High school students may receive .5 credit in one class or the other.

#E-9: Credit Recovery: High School Students may receive .5 credit and Middle School students may satisfy a requirement in order to advance to the next higher grade-level course.
