

Kaytlynn Vanda Named May Student of the Month

Our Clayton High School student chosen as the May Student of the Month is junior, high honors student, Kaytlynn Vanda. Kaytlynn is the daughter of Steven and Carrie Vanda.

Members of the high school teaching staff, nominate the students, and include a short description of the positive character traits of the students. Consideration is given to students that have positive personal skills as well as interpersonal skills. The pride the student displays in the school and community is also evaluated.

In Kaytlynn's nomination, teachers said, "Kaytlynn consistently delivers a strong academic performance while being active in several co-curricular activities. She is an integral part of the high school band program.

Kaytlyn also joined with another student to create a project as part of the STAR program for the FCCLA student group. Their project was entitled "Share the Warmth!" and was focused on making blankets to give to the

Clayton Fire Department and Gifts for Children to distribute as needed. Fundraising to purchase the materials needed for the blankets was also an important part of their project. The girls, earned gold medals at state with their project. Kaytlynn is very respectful of others and advocates on their behalf when she witnesses injustices taking place. She represents both the community and school in a positive manner and as such is perfect in her role as a Polk County 4-H Ambassador."

Congratulations Kaytlynn, on being named Clayton High School's 2018 May Student of the Month!
