

Parents-

As a part of Summer School, the Clayton School has organized a trip to a Minnesota Twins baseball game. The Twins play the Boston Red Sox with a starting time of 12:10 PM on Thursday, June 21st. The Clayton School will be supplying the transportation to the game and a bag lunch supplied by our food service staff. Students can bring money for food and merchandise at the game. The cost of the ticket is \$11 and will need to accompany the returned permission slip. (Please make checks out to: Clayton School)

Students will need to be at school by 8:30 AM with the bus leaving around 9:30 AM (students can certainly ride the morning bus route like normal). The bus will arrive back to school around 5:30 PM and students will need to be picked up at that time. We will NOT be having “normal” summer school classes for Middle School or High School students on that day. The field trip to Target Field is the only option for Middle School and High School kids on Thursday, June 21st. We are not planning to take parents or chaperones.

Please return this permission slip to your advisor along with the \$11 ticket fee by Thursday, February 15th.
