Splash into Junior Kindergarten: Summer Program

July 31-
August 3
2017

WELCOME to Splash into JK!

My name is Angel Wendt, and I am happy to be a part of the early education team here in the Clayton School District. It has been a joy to pick up the already distinguished Junior Kindergarten programing and blend it with my unique skills and talents to create a new and challenging program for the Junior Kindergarten students of the Clayton are. I am excited to share this program with you. Please take time to contact me at the school to set up a time when we can share ideas.

Daily Schedule:

- (8:00) Drop Off and Meet in the Commons to Have Breakfast (Breakfast is free for all children.)
- (8:30) Story Time
- (8:45) Large Motor Indoor Activities (Dancing, Parachute, Obstacle Course...)
- (9:00) Large Group Crafting and Activity
- (9:15) Free Play
- (9:45) Outdoor Play Time

Classroom Philosophy:

In our classroom, we believe that all children have the right to a loving, high-quality, developmentally appropriate, play based education experience. We focus on every child as a whole person. They learn social and emotional awareness while strengthening their academic skills and problem solving strategies. We work to develop children's large and fine motor coordination while building each child's confidence!
