

Joseph Thomas named April Student of the Month:

Our Clayton High School student chosen as the April Student of the Month is senior honor student, Joseph Thomas. Joe is the son of Rob and Cyndi Thomas.

Members of the high school teaching staff, nominate the students, and include a short description of the positive character traits of the students. Consideration is given to students that have positive personal skills as well as interpersonal skills. The pride the student displays in the school and community is also evaluated. The entire staff that works with the high school then votes on the students to select one.

In Joseph's nomination, teacher's said, "Joe is a fantastic student to have in class! He is an excellent example of what we ask for in our students, is always engaged in classroom activities, and is very prideful of his overall performance. When he does not understand something, he will not hesitate to ask for assistance from a teacher, no matter what the question is. As the year has progressed, he has continued to build his confidence to a level of which he can be very proud! He is a student that will certainly be ready for whatever path he takes or whatever situations he encounters after high school. He truly exemplifies the traits we encourage and look for in a student of the month."

Congratulations Joe on being named Clayton High School, 2019 April Student of the Month!
